Farewell To Dr. Watt

On Saturday night last a surprise party and banquet was given in honor of Dr. Watt at his residence in Lihue, Kauai. There were only men present and the affair was one that will long be remembered by everyone present. Dr. Watt is soon to leave the islands for good.

Mr. Isenberg, in proposing the toast of the evening, spoke feelingly of the doctor and his services to Lihue plantation.

Dr. Watt, in replying and thanking those present, spoke with great feeling.

Mr. Weber, replying to the toast "Lihue Plantation," spoke, in part, as follows:

Mr. Alexander and Gentlemen:—It gives me pleasure to answer to the toast proposed by Mr. Smith as I feel that in drinking the health of Lihue Plantation I am in a measure proposing the health of everyone here.

There are few plantations on these islands that have done so much for their employees as has Lihue and I might say that there are none that have so carefully looked after their employees as has this plantation; to have been an employee of Lihue for a long time means not only that you must have been a man accustomed to hard work but it means that your true worth has been recognized by the company, and by doing your duty, and steadily day by day doing that which is required you are steadily and surely approaching the goal of every employee, viz: the command of his department.

On behalf of the plantation I heartily concur in the remarks made by our honored president in regard to Dr. Watt, both in his capacity as an employee of the company and as a man and it is my hope that we will always have a physician who will as honestly and carefully discharge the duties of his office.

Sheriff Coney, replying to the toast "The Governor of the Territory," spoke as follows:

Mr. Alexander and Gentlemen:—It gives me a pleasure, probably greater than you can realize, to be given this opportunity, in some small measure, express before you all, my appreciation of the character of our Chief Executive.

For many years, and in fact during his whole career he has devoted his life and energies to the welfare of these islands and has with honor to himself and manly dignity filled most of the offices of importance within the gift of the people of Hawaii.

As Judge of Circuit Court, as Judge of the Supreme Court, during the most trying times that these islands will probably ever know, he filled these difficult positions with ability and a strength of purpose which did much toward placing this Territory where it is today.

As President of the Republic of Hawaii and later as the first Governor of the Territory, he was ever the able counselor and skillful leader and possibly did more toward healing any breach that might have existed because of the annexation of these islands to the United States between the Hawaiians and people of other nations, than did any other one man. By his kindly attitude toward the Hawaiians (always remembering that they had rights which he was bound in honor to respect) by his appointments to office of Hawaiians worthy to fill the same, he showed his friendship in a most practical manner and earned the love and respect of all without regard to race or color.

I am an Hawaiian myself, and perhaps few of you can understand the feeling with which I saw the dearly beloved flag of Hawaii give way to the Stars and Stripes of the Great Republic; as the flag that to so many of us

had been the symbol of everything that meant home and fatherland came fluttering to the ground I felt as did all present on that occasion a feeling of sadness as though a dear friend had passed away.

Of course we all realized that we would be better off from every standpoint as a part of the United States but the feeling of sadness remained and only the realization of this by the Governor and his delicate and tactful manner of treating the changed conditions made up in some manner for what we considered to be our loss.

In closing I desire to express the hope that this Territory will ever have as chief executive as good a man and as true and able a leader as Governor Dole.

The complete program of the evening's entertainment was as follows:

Proposer. Response.
"The President of the United States," J. B. Alexander.
"The Governor of the Territory," J. B. Alexander.
"Dr. Watt," J. H. Coney.

Fare thee well; The elements be kind to thee, and make Thy spirit all of comfort."

Rev. Hans Isenberg.
"Lihue Plantation."

"The man with the hoe," W. G. Smith.
"Engineering, Civil and Otherwise," F. Weber.

"What cannot art and industry perform," M. F. Prosser.
"The Bar of Kauai," F. Crawford.

"The first thing we do, let's kill all the lawyers," R. W. T. Purvis.
"Saw Bones and the Hospital," J. D. Willard.

"Throw physic to the dogs; I'll none of it," W. Fisher.
"The Bachelors," R. D. Wilkinson.

"Is he of God's making? What manner of man?" Is his head worth a hat, or his chin worth a beard?" H. D. Sloggett.
"The Ladies," H. Schultz.

"Second only to the press in the dissemination of news," Mr. Spalding.
Committee—J. H. Coney, E. Broadbent, A. H. Rice and H. Crawford.

INDOOR BASEBALL.

The second game in the series of indoor baseball games will be played in the Y. M. C. A. gymnasium tonight, the Diamond Head and High School teams to compete. The line-up will be as follows:

Diamond Head—R. McCriston, 2; U. Lemon, p; John Clarke, 1b; E. Fernandez, 2b; A. Blackman, 3b; B. H. Clarke, ss; A. Marcellino, J. Crews, fielders.
High School—W. Cameron, c; E. M. Desha, p; Paul Schmidt, 1b; J. Colburn, 2b; D. Sherwood, 3b; Henry Williams, ss; Frank Hoogs, R. C. Clarke, Harry Holt, fielders.

The game will be called at 8 o'clock sharp. Umpires, J. Marcellino and Fred Young.

WILL FILE BRIEFS.

Counsel on both sides will file briefs in the Board of Public Institutions (County Act) contest argued yesterday in the Supreme Court. Attorney General Andrews appeared for the petitioners, Dole et al.; S. H. Derby represented defendants, Cooper et al. The whole day was occupied with the argument. Derby contested the power assumed by the Legislature of wiping out the functions of an office created by the Organic Act, that of the Superintendent of Public Works. Andrews cited many authorities for the legality of the act.

The order of carriage has also been arranged, those to follow Mrs. Wilcox and her children being Queen Liliuokalani, members of the Wilcox family, Hawaiians of prominence and others.

ROBERT W. WILCOX.

Sad mourned the palms, a pallid cloud the stars made dim;

Pele's cloak for a moment loomed black o'er Mokuaweoweo's rim;

The salt sprayed surf upon coral strands in mournful cadence beat

As athwart the skies a meteor flashed to the vast unknown, the known to meet.

Life's work is done, the race is run; A soul has passed—the battle won.

Bowed down with pain, he manfully strode along.

In answer to his people's call—he led the van full strong;

And fondly looked to where the old flag waved,

A pang for the past, and by hopes for the future awayed.

Sweet is rest, with spirits blest, His soul has reached the crest.

Though at death's door, his armor still he hoped to wear

With his people; of them, for them his constant prayer;

And while his grief-stricken wife, thoughtfully his offspring hushed,

With a father's love he bade her stay; with grief he would not have them crushed.

Dark the night—the future bright, His soul has passed to light.

With love and reverence, Hawaiian and haole draw thou near;

Entwine with malle and God's sweet flowers his bier.

For all his goodness and patriotic love—rejoice:

His love of native country and aloha for his throneless Queen.

He fought the fight according to his light;

His soul at peace with angels bright.

BOUGHT ROCK CRUSHER.

The Public Works Department has purchased a rock crusher from the von Hamm-Young Co. for \$1550. The crusher was needed in a hurry for the Pahala road on Hawaii. If the matter had been delayed to advertise for bids on the mainland three months would have been lost. Ample time, says Marston Campbell, Assistant Superintendent of Public Works, was, however, allowed for local bids, von Hamm-Young being awarded the contract.

Thousands of Sick Ones

every week write for my book

And to each one I send an order—good at any drug store—for six bottles Dr. Shoop's Restorative. I let the sick one test it for a month at my risk. If it succeeds, the cost is \$5.50. If it fails, I pay the drug-gist myself. And the sick one's mere word decides it.

You see this offer everywhere—all the time. Don't you realize that I must be curing the sick ones, else the offer would ruin me?

I care not for prejudice nor doubts, for they are quickly removed when a patient meets me or writes me. All I ask is that you who need help—you whose health is at stake—will let me convince you.

When a physician—after a lifetime experience—has such faith in himself, you are wronging yourself not to learn what he knows.

I have perfected a treatment which strengthens the inside nerves. It is my discovery, and the sum of my whole life's work.

When any vital organ is weak, my Restorative brings back the nerve power that operates it—the only power that can make the organ do its duty.

With any other treatment we can only doctor the organ, and the best results are but temporary. My way restores the power that Nature gave the organ at the start. There are but few of these chronic diseases which can ever be cured in any other way.

I cannot always cure. Some of these troubles result from incurable causes, like cancer. But in the past 12 years I have furnished my Restorative on trial to over half a million sick ones, and 39 out of each 40 have paid for it gladly, because they were cured.

There are 29 chances in 40 that I can cure you, and I will pay for the medicine you take if I fail.

Simply state which book is wanted and address Dr. Shoop, Box 311, Racine, Wis.

Book No. 1 on Dyspepsia.
Book No. 2 on the Heart.
Book No. 3 on the Kidneys.
Book No. 4 for Women.
Book No. 5 for Men (Sealed).
Book No. 6 on Rheumatism.

Mild cases, not chronic, are often cured by one or two bottles. Dr. Shoop's Restorative is sold by all druggists.

THE BURNING QUESTION

Ask your neighbor how much it costs to burn incandescent electric lights. She will tell you "not any more than kerosene."

Now how about the convenience?

Do you think there is any comparison?

Most people think electric lights come high, but that is a mistake—ask your neighbor—if she uses electricity she will tell you.
